

# Dylan Chapman

---

## Summary

Dylan is a passionate young graduate from the University of Otago who is a technology enthusiast that is intrigued by learning new skills. He is a fast learner and can adapt quickly to new environments. Dylan has great communication and customer service skills and can work efficiently in a team, or independently.

## Technical Skills

Java, Swift, JavaScript, HTML/CSS, UnityScript, Unity, Photoshop

## Projects

### 2015–2016 **Blackjack play calculator.**

- Created a web tool to help learn/play blackjack. You input your cards and it tells you the best play to make depending on the rules you set
- Written in JavaScript

### Jan 2015 **Video game project.**

- A 2D platformer using Unity2D
- In a team with three other people
- Responsible for creating assets, programming, and game design

## Education

### 2013–2015 **Bachelor of Science, *The University of Otago*, Dunedin.**

Computer Science Major

Relevant Coursework: Data Structures and Algorithms, Object Oriented Design, User Interfaces, Web Development.

## Experience

### 2014–2015 **Suite Host, *Compass*, Forsyth Barr Stadium, Dunedin.**

I was responsible for hosting important clients in corporate boxes at the Forsyth Barr Stadium. This required excellent customer service and communication skills.

Key responsibilities:

- Greeting / hosting executive clients.
- Displaying good customer service skills by making sure they had what they needed and felt welcome.

Achievements:

- Received positive feedback and a testimonial from the client. This resulted in being assigned executive clients after delivering excellent customer service and building rapport.

### 2012–2013 **Cashier's Assistant, *Spotless*, Westpac Stadium, Wellington.**

I was responsible for helping at busy functions getting customers food and drinks that they ordered. I had to work in a high stress environment so I needed to be organized and work efficiently.

## School Achievements

2013 Received letter from head of Computer Science department congratulating results

2011-2012 Award for outstanding contribution to badminton

*I was the manager and team captain*

2011 Was selected for the 1st XI Football team

## Interests

- Creating video games - I enjoy creating video games in my spare time
- Traveling - I love to travel and have learned to speak Spanish
- Sports - I have played sports my whole life
